NAS OCEANA NOTICE 1700

Subj: NAVAL AIR STATION OCEANA CLUB ADVISORY BOARDS

1. Purpose. To establish an Officers' Club Advisory Board and encourage increased participation in the existing Chief Petty Officers' Advisory Board.

2. Background. The Regional Morale, Welfare and Recreation Food and Beverage Division has been disbanded. Naval Air Station Oceana and Dam Neck Annex new Clubs Director will reinstate reservations and arrangements locally. Local involvement and synergy is essential in best serving our needs and retaining viable and successful club operations. Officer and Chief Petty Officer clubs are a proud tradition within the naval aviation community. Clubs offer a relaxed environment after working hours to build camaraderie and openly discuss operational and social aspects of Navy life. Club environments have been the genesis of many corrections and improvements to operational and social aspects of our Navy.

3. Action

a. All Commanding Officers, Executive Officers, Department Heads, Officers-in-Charge, Command Master Chiefs and Leading Chief Petty Officers are encouraged to take advantage of the opportunity to revitalize our clubs. To that end, a talented and interested Advisory Board representative from each command is needed. I am inviting one representative to represent each All Enlisted or All Officers Spouses Clubs. Additionally, a representative of the Association of Naval Aviation and civilian representatives of predominately civilian organizations are invited to join each Advisory Board. The Boards will meet as follows:

(1) The Officers' Advisory Board will convene at the Officers' Club the second Wednesday of each month at 1500, just prior to scheduled Happy Hour programs.

(2) The Chief Petty Officers' Advisory Board will meet the second Tuesday of each month at 1400 at the Chief Petty Officers' Club.

b. The first meetings will begin in January 2004.
